Explanation of how the "Used Uniform Sale" works ...

This is to inform new families as well as old. The Ave Maria Used Uniform Sale works very similar to a consignment shop where the prices of the uniforms are about 1/3 the price of new uniforms. The consignment rate is 75%/25%, where you (the parent) get back 75% of the sale price and 25% will go to the school. Below you will find a list of items sold at the sales as well as their prices. You may drop off clothing at any of the sales or in the front office prior to each sale. Items that are damaged (i.e. torn, stained, etc.) or are non-uniform will be donated to a local charity and not returned, so please check your items carefully before dropping them off. Be sure to have your name and phone number clearly marked on ALL bags of clothing if you wish to receive money back. If you are wishing to donate your clothing, please mark the bag clearly with the word "DONATE". If you are moving, please be sure to mark the bag with the word "MOVING" along with a forwarding address so that we can mail you a check from items sold. Items from families that are moving will stay in the inventory for 1 year from your child's last day of school; at the end of that year, items not sold will be changed to DONATE, in which 100% of the proceeds will then go to the school. All current Ave Maria families inventory will continue to be sold at each sale. The entire inventory is stored at the school between sales. If you sold items, you will be notified by email about 4-6 weeks after the sale. At that time, you can pick-up your money in the front office. There are 3 sales each year: a back-to-school sale, a fall sale and a spring sale. Watch for information about upcoming sales on the AMCS website or via email.
